

## IMPORTANT INFORMATION FOR FIFTH GRADE

August 2011

Dear Parents and Fifth Grade Students,

**A couple of years ago, on an experimental basis, we incorporated a new segment into our Fifth Grade Faith Formation program. It was successful and well received and so it is now an integral part of our Fifth Grade curriculum. Thus, it is our expectation that ALL Fifth Grade students and at least one of their parents participate in this Family Faith Experience during Advent. Other children in the family (4 years +) are welcomed to attend.**

The Advent Family Faith Experience will happen from 8:00 a.m. - 12:00 noon on Saturday, November 19th, for Sessions A & B and on Saturday, December 3rd, for Sessions C & D.

Please note that the children and their siblings will have a free Saturday after they attend their scheduled Family Faith Experience. **It is very important that you follow the calendar (listed on the other side of this letter) very carefully.**

May our loving God continue to bless each of you and your dear families.

Sincerely in Christ,

Patricia Kmak  
Director of Religious Education
