RELIGIOUS EDUCATION

March 2019

Dear Parents/Guardians,

Each year, we work at providing a high quality experience of faith formation for our young people. Our efforts are quite successful, due in large part, to the great generosity of our dedicated volunteer Coordinators, Catechists and Aides.

Registration begins with your reception of this letter and we ask that you complete the entire form, printing or writing clearly. Please register your family in a timely manner so that we can plan accordingly for the new school year. All registration forms for the regular school year, submitted after July 1, 2019 will be charged a \$50.00 late fee. Registration forms can be mailed or dropped off at the Parish Office. By paying in full at the time of Registration you will save 10% and participation in the Scrip program can also help alleviate costs for families. (See Scrip insert)

Thus, our 2019 – 2020 fees are as follows:
